

PRODUCT SPECIFIC CONTRACTUAL TERMS AND CONDITIONS FOR LPG PRODUCTS

IN GENERAL

The Product Specific Contractual Terms and Conditions (PSCT) is valid for all MOL LPG products (LPG commodities and special products and Pentanes) to be sold outside Hungary.

The current PSCT shall be applicable together with the valid GT&C.

The GT&C and PSCT shall form integral part of the Contracts.

The GT&C and PSCT are available on MOL's website (<https://molgroup.info/en/products-and-services/general-terms-and-conditions>) in printable version.

ARTICLES OF THE GENERAL COMMERCIAL TERMS AND CONDITIONS IN DETAILS

CALL OFF, TIME OF DISPATCH

1. Buyer shall call off in written form (via e-mail) the quantity of the Product corresponding to the whole loading volume of one or more railway train/road trucks.
 - In case of FCA deliveries: at least 2 working days before the loading/dispatch date;
 - In case of DAP deliveries: at least 5 working days before the loading/dispatch date.
2. The call offs shall contain the following information: name and code number – if any - of the Product, quality, quantity, destination of the Product, consignee of the delivery, required delivery date, delivery instruction

Additionally

- in case of **road delivery in Buyer's road truck**: name of the carrier and identification number of the vehicle;
- in case of **rail delivery in Buyer's RTCs**: name of the carrier and list of RTC IDs.
