

**PRODUCT SPECIFIC CONTRACTUAL TERMS AND CONDITIONS FOR BIOCOMPONENTS
PRODUCTS(bioethanol, FAME, UCOME)**

IN GENERAL

The GT&C and Product Specific Contractual Terms and Conditions (PSCT) is valid for all MOL Products to be sold outside Hungary.

The current PSCT shall be applicable together with the valid GT&C.

The GT&C and PSCT shall form integral part of the Contract.

The present GT&C and PSCT are available on MOL's website (<https://molgroup.info/en/products-and-services/general-terms-and-conditions>) in printable version.

PLACING ORDER, TIME OF DISPATCH

1. Concerning the time of dispatch, the Parties' written, mutual consent shall be considered as authoritative.
2. The orders shall contain the following information: name and code number – if any - of the Product, quality, quantity, destination of the Product, consignee of the delivery, required delivery date, delivery instruction.

Additionally:

- In case of **road deliveries in Buyer's road truck**: name of the carrier and identification number of the vehicle.
 - In case of **rail deliveries in Buyer's RTCs**: name of the carrier and the list of wagon IDs.
 - In case of **barge deliveries in Buyer's barge**: name of the barge.
3. Seller shall send a dispatch advice containing the date of dispatch, the weight of the goods delivered and the identification- number or name – of the vehicle, no later than on the first working day after dispatch of the Product.

SUSTAINABILITY

If the delivered Product includes any percentage of sustainable bio-component, a Proof of Sustainability (PoS) shall be issued after the physical dispatch to demonstrate the compliance with all sustainability - and greenhouse gas emission saving criteria set in the Renewable Energy Directive (2009/28/EC). By default, MOL uses ISCC (International Sustainability and Carbon Certification) system. In case of any other request, MOL must be informed previously, and MOL must approve this condition before the deal via e-mail.
