

PRODUCT SPECIFIC CONTRACTUAL TERMS AND CONDITIONS FOR FUELS AND ADDITIVES

IN GENERAL

The Product Specific Contractual Terms and Conditions (PSCT) is valid for fuel and additive products to be sold outside of Hungary.

The current PSCT shall be applicable together with the valid GT&C.

The GT&C and PSCT shall form integral part of the Contracts.

The present GT&C and PSCT are available on MOL's website (<https://molgroup.info/en/products-and-services/general-terms-and-conditions>) in printable version.
