

Statement on registration status of MOL Petrochemicals Private Company Limited by Shares

Date: 01.03.2017.
Version: 04.

Referring to your request on REACH compliance we would like to inform you, that according to the „TITLE I, Article 2, Item 9“ of the REACH „Regulation Nr. 1907/2006 of the European Parliament and of the Council of 18th December 2006“, polymers are released from the registration obligation.

It is a great pleasure for us to inform you that hydrocarbon monomers of our manufactured polymers (Tipolen, Tipelin, Tipplen) are registered.

MOL Petrochemicals Private Company Limited by Shares (as Tisza Chemical Group Private Company Limited by Shares legal successor) submitted its registration.

The registered monomers and their identification numbers are as follows:

Name	Registration number	CAS number	EC number
Ethylene	01-2119462827-27-0026	74-85-1	200-815-3
Propylene	01-2119447103-50-0034	115-07-1	204-062-1

Concerning the additives incorporated into manufactured polymers, we can also confirm that we will use only such additives which registered in accordance with REACH.

Suppliers of MOL Petrochemicals Private Company Limited by Shares (including producers of catalysts, polymer additives) were already contacted in order to clarify their intention to comply with REACH registration requirements.

If you have further questions, please do not hesitate to contact Mr. András Ládi, SD & HSE Manager (e-mail: tvkreach@tvk.hu) the business focal point of MOL Petrochemicals Private Company Limited by Shares.

We hope the above information are helpful and adequate for you.

András Ládi
SD & HSE manager
